Air Force Academy (USAFA) Flight Ops, Vicinity Colorado Springs CO

Chart identifies major changes to USAFA flight operations in response to newly implemented FAA RNAV procedures into KAPA and KCOS Airports beginning 3 Dec 2012. USAFA conducts operations sunrise to sunset, Mon thru Fri and occasionally on Sat & Federal Holidays.

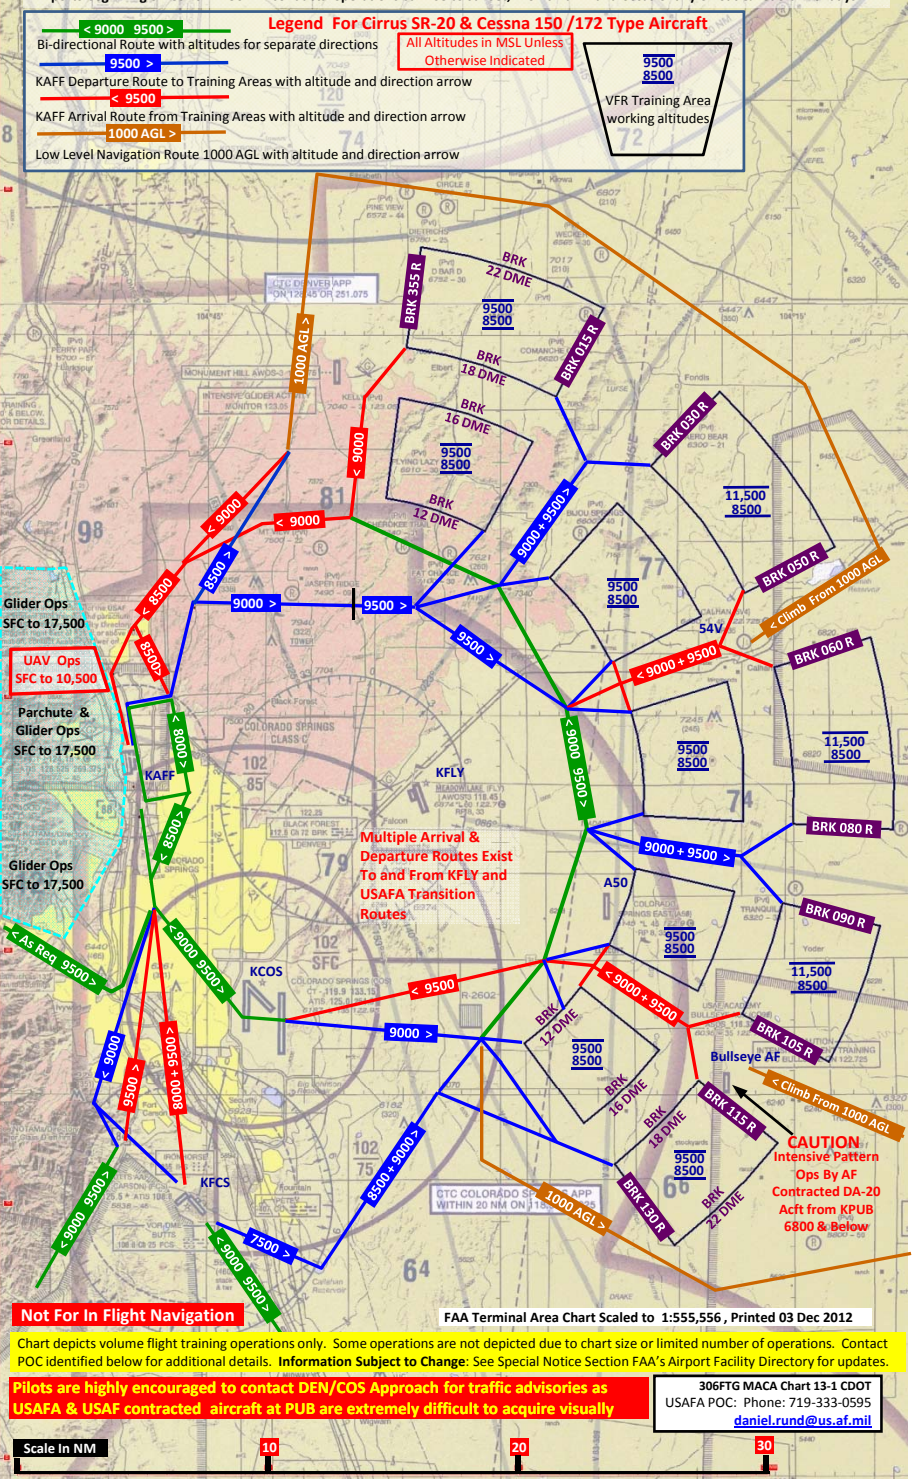

Chart depicts volume flight training operations only. Some operations are not depicted due to chart size or limited number of operations. Contact POC identified below for additional details. **Information Subject to Change**: See Special Notice Section FAA's Airport Facility Directory for updates.

Pilots are highly encouraged to contact DEN/COS Approach for traffic advisories as USAFA & USAF contracted aircraft at PUB are extremely difficult to acquire visually
