Re: Interest Rate Recommendation for the First Half of FY 2014

Attached is a TC resolution for your consideration. Since there has been virtually no change in current market conditions, our recommendation is that the interest rate stay at 2.00% for CO SIB loans applied for during the first half of fiscal year 2014.

If you have questions regarding this matter please call me (303-757-9171) or Will Ware (303-757-9061).

Thank you.
