Public Notice for Professional Consultants

Traffic Design & PEL Project Specific Traffic Engineering

I-225 I-25 to Yosemite Street Project # STA 2254-085 (19187) CDOT Region 6

NOTICE TO CONSULTANTS:

Thank you for your interest and response in performing engineering services for the above-captioned project of the Colorado Department of Transportation (CDOT).

CDOT *will have an “Optional Interview Phase* for this selection.

CDOT’ Region 6 reserves the option to award one agreement based solely on the information submitted from consulting firms SOI and Work Plan.

Should there not be a clearly superior proposal submitted, and the scoring and ranking does not provide a unanimously decided superior SOI and Work Plan, CDOT R6 would short list the 3 most qualified firms for an Interview phase.

CDOT will make the final selection from the highest scoring firm, using the following criteria for final selection: Workload Factor; Project Team; Firm Capability; Past Performance on Similar Projects/Similar Teams; Work Location; Capacity; UDBE Participation; ESB Participation; Project Goals, Project Control, Project Concept, and Project Critical Issues. (Optional Interview Phase)

SOI Due Date: September 13, 2012 12:00 Noon Mountain Time

Please submit **Seven (7)** copies of your SOI/WP to accommodate the members of the board. Please refer to the SOI/WP instructions to ensure compliance with the page and exhibit limits for the SOI/WP sections of your submittal. Submit all copies of Statement of Interest/Work Plan by the due date and time as stated in the "Invitation for Consultant Services."

CDOT will inform you of the short-list result by electronic mail. Please provide your firm’s proposed Project Manager’s e-mail address and phone number in your cover letter.
