Pre-Advertisement Notice

Design / Build Procurement Support C-470 Express Lanes Including ITS Infrastructure & Auxiliary Lanes I-25 to Kipling Blvd

Colorado Department of Transportation (CDOT) Office of Major Projects is planning to advertise for a Consultant firm to provide Design / Build Procurement Support for Project Sub Account (18999) for the C-470 Express Lanes Project.

The Contract consultant will assist CDOT in procuring a Design-Build contractor via:

- Design build procurement document development
- Coordination with Preliminary Design Consultant Retained by Douglas County
- Preparing project for Design-Build Process

The construction cost for the project is estimated to be \$250-\$300 million.

Please note: Funding sources are not finalized. The timing of consultant selection will likely coincide with the timing of RAMP funding decisions.

If RAMP funding is not secured for this contract there could be a delay with an unknown duration between selection and notice to proceed.

Advertisement is expected in mid -June 2013.

Please contact Jerome Estes, Project Manager at jerome.estes@state.co.us for additional information
