The information presented already appears in the above referenced specifications.

COLORADO PROJECT NO.

September 17, 1999

REVISION OF SECTION 202  
REMOVAL OF ASPHALT MAT (PLANING)

Section 202 of the Standard Specifications is hereby revised for this project as follows:

Subsection 202.02 shall include the following:

Removal of Asphalt Mat (Planing) shall consist of removing existing asphalt from the Bridge approaches and on the Bridges as shown in the Bridge plans or as directed. Removal shall be done by the use of an approved planing machine or grinder or other equipment approved by the Engineer. Removal shall be done in such a manner as to insure a level riding surface. All methods and equipment used shall be approved by the Engineer.
