7.6 Webinar

On September 19, 2012 a webinar will be held beginning at 10:00 AM, Mountain Daylight Time, to discuss the Request for Statement of Technology Information. During the webinar, the expectations for the Statement of Technical Information will be explained, and potential Technology Providers will be allowed to ask questions. The webinar is **MANDATORY** for all Technology Providers who plan on submitting a SOTI.

Please send an email to mriggs@aztec.us if you want to attend the webinar. Clearly state in the email that you are a Technology Provider who plans on submitting a SOTI. Information about joining the webinar will be provided via email.
