Explain: In 2003, this property was determined Officially Not Eligible to the NRHP due to the number of substantial alterations to the building which were apparent on historic photographs of said property. There have been no changes or impacts to this property that has affected this determination.

14. **Management Recommendations:** Because the SH82 Entrance to Aspen project proposes to move the main west bound transportation corridor into Aspen from Hallam Street to Main Street, this building is now out of the area of potential effects. Therefore, there are no recommendations.
