Stand Up For Transportation "Signature Bus"

SAVE THE DATE

Please join the Regional Transportation District and partners on April 9 for Stand Up For Transportation (SU4T) Day. Starting at 10 a.m., there will be a unity parade from Market Street Plaza to Denver Union Station, with a rally to follow at Union Station Wynkoop Plaza. SU4T Day will be a local day for national education and outreach to the public and elected officials. The goal is to raise awareness for the nation's long-term transportation infrastructure funding plight.

SU4T participants show their support in Olde Town Arvada

Help send a message to Congress that the expansion, maintenance and upkeep of public transit, roads and bridges needs to be dealt with now, and the aging infrastructure needs a long-term investment.
