

Eastbound US 6 ramps at Federal and I-25 to close to move eastbound US 6 traffic into final alignment

What

The eastbound US 6 off-ramp to Federal Boulevard and the Federal Boulevard on-ramp to eastbound US 6 will be closed for one week and the eastbound US 6 off-ramp to northbound and southbound I-25 for a weekend.

When

Both Federal interchange ramps will be closed from **10 p.m. Monday, Sept. 28, until 5 a.m. Sunday, Oct. 4.**

The eastbound US 6 off-ramp to northbound and southbound I-25 will be closed from **10 p.m. Friday, Oct. 2, until 5 a.m. Sunday, Oct. 4.**

Why

To move eastbound US 6 traffic to the south into its final alignment, crews need to replace the temporary sections of asphalt roadway with permanent concrete.

Details on Improvements

When this shift is done Sunday morning, drivers will see the following improvements:

- Eastbound US 6 traffic will be in its final configuration on permanent concrete.
- The Lowell Boulevard on-ramp to eastbound US 6 will reopen.
- There will be better access to Bryant Street from eastbound US 6 via the collector-distributor lane between Federal and Bryant.
- There will be a collector-distributor lane dedicated to accessing I-25 from eastbound US 6 which means drivers headed for I-25 will no longer need to “compete” with merging traffic from Federal.

Detours

While the eastbound US 6 off-ramp to Federal Boulevard is closed, drivers should plan to exit at Wadsworth or Sheridan. Eastbound drivers who miss these ramps can continue east to Osage and exit there to get onto westbound US 6 to reach Federal Boulevard. While the Federal on-ramp to eastbound US 6 is closed, northbound Federal drivers should continue to 8th Avenue and go east to Kalamath and southbound Federal drivers should continue to Alameda Avenue and go east to Santa Fe Drive. *See map on reverse side.*

While access to I-25 is restricted to eastbound US 6 drivers during the weekend, drivers should again plan to continue to Osage and exit there to get onto westbound US 6 to reach the ramps to northbound and southbound I-25. *See map on reverse side.*
