

Public Involvement

Over the past three years, the following outreach efforts have been made by the project team.

- four general open houses with over 500 people in attendance
- one open house on the Express Lanes Feasibility Study findings
- one open house on the Santa Fe Interchange designs
- two open houses for specific city requests at Centennial and Highlands Ranch
- 54 small group meetings with civic groups, home owners associations, councils, and businesses with over 1,300 people in attendance
- seven small group meetings specifically for bike groups
- on-going coordination with federal, state, and local agencies
- six mass mailings to over 20,000 recipients
