

I-25 & FILLMORE INTERCHANGE

I-25 RAMPS AND FILLMORE TO CLOSE FOR INTERCHANGE WORK IN AUGUST

The I-25 & Fillmore Street Interchange project will be partially closed to traffic over this weekend August 28, 2015 through August 31, 2015 for intersection construction.

Beginning Friday, August 28, at 8 p.m. through Monday August 31, at 5 a.m., ramps from northbound I-25 to Fillmore Street and from Fillmore Street to northbound I-25 will be closed.

Fillmore Street will be closed from Mark Dabbling Boulevard to the I-25 southbound & northbound on- and off-ramps. All eastbound Fillmore traffic, west of I-25, will need to enter onto the southbound I-25 ramp. Southbound I-25 traffic can exit at Fillmore but must go west.

Additional Closure: Mark Dabbling Boulevard will be closed for an event from 5:00 a.m. through 6:00 p.m. on Saturday, August 29th; however, this closure will not affect detour routes.

Detour for eastbound Fillmore, east of I-25: Garden of the Gods Road eastbound and south on Nevada Avenue.

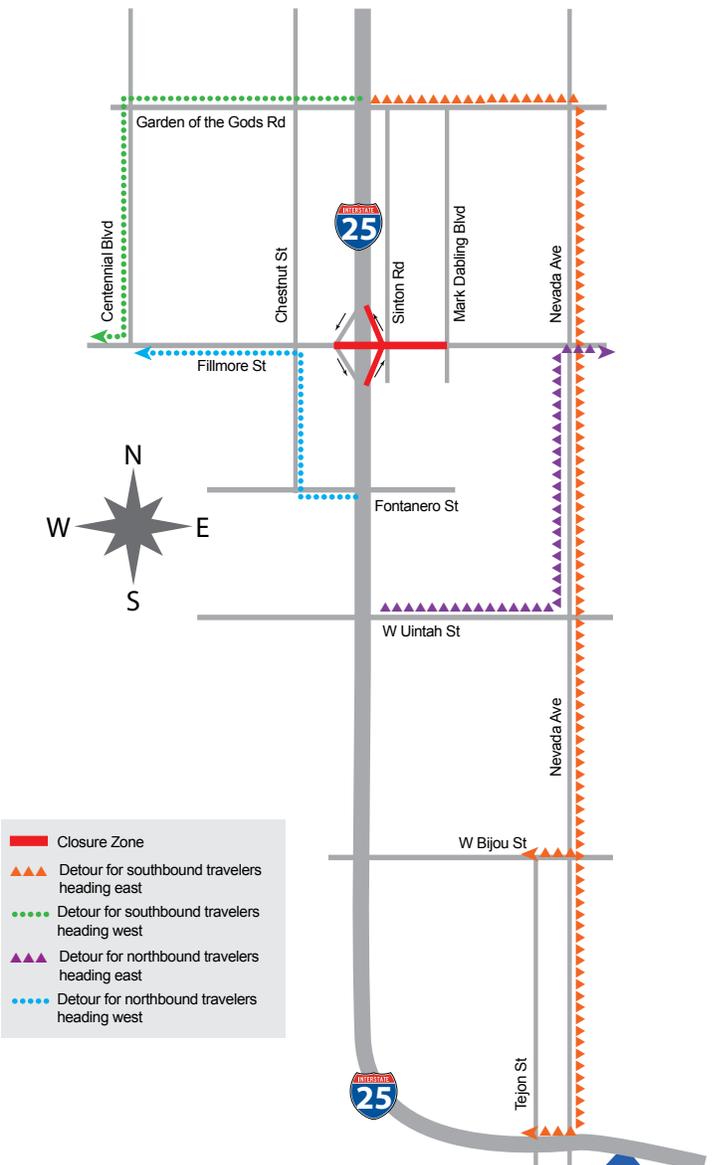

Detour for westbound Fillmore, west of I-25: Garden of the Gods Road westbound to Centennial Boulevard, south on Centennial Boulevard. All business access along Fillmore Street will be open to Mark Dabbling Boulevard.

Motorists headed for points just south of Fillmore Street are encouraged to exit I-25 at Uintah Street.

Motorists headed for points just north of Fillmore Street are encouraged to exit I-25 at Garden of the Gods Road.

Fillmore Street will be inaccessible from northbound I-25 during this time. The respective I-25 on- and off-ramps will be closed. There will be signed detours along I-25 to direct motorists around the work.
