Dear Pat:

Congratulations! Your firm has won a 2007 Gold Hard Hat Award for the Maroon Creek Bridge project that you submitted in the Engineering Design category. Let me offer my personal congratulations from the editorial staff at McGraw-Hill's *Colorado Construction* magazine on your award and the superior work they represent. We are not revealing which level of award you won (Gold, Silver or Bronze) until the GHH Awards Breakfast on October 12.

Please also consider this letter your official invitation to the Awards Breakfast, where we will present a plaque to your firm commemorating your award. In addition to your plaque, we are offering you the opportunity as the submitting firm to present two additional plaques per award to other firms connected with your winning project. If your firm would like to order more than the two additional plaques, please contact Kari Johnson in our Denver office at 303-584-6720 or kari_johnson@mcgraw-hill.com by September 6th with your request. This is for extra plaques only.

You may choose who you wish to invite from your project team to the breakfast—owners' reps, designers, GCs, subs and so on—and a representative from your firm will have the opportunity to make the on-stage award presentation to your guest recipients. You will have up to a minute or so at the microphone to talk about the project and congratulate your colleagues, so please come prepared to make a short presentation speech.

The 2007 Gold Hard Hat Awards Breakfast and Celebration will be held on:

Friday, October 12
7:30 - 10:00 a.m.
\$65/person
\$585/tables of 10

Belmar Event Center
405 S. Teller St.
Lakewood, CO 80226

Please RSVP no later than **Sept. 27** for the breakfast through our website:

http://www.construction.com/event/RegionalOutlook2008/DenverOct12_RegFormV2.pdf

Upon receipt of your registration, our representative will then contact you to confirm your reservation and to obtain a list of your attendees.

Again, congratulations and we look forward to seeing you on stage on October 12.
