

LEGEND

- 60' Right-of-Way (Existing)
- 120' Right-of-Way (Existing)
- 170' Right-of-Way (4 Lanes)
- 190' Right-of-Way (6 Lanes)

NORTH

NOTE: Although the Preferred Alternative includes a 4 lane cross section from York St. to realigned Colorado Blvd., right-of-way preservation for an ultimate 6 lane section is recommended to accommodate post 2035 travel demands.

NOTE: Additional right-of-way may be required at major intersections for turn lanes and/or queue jump lanes.
