Wednesday, November 19

5:30–6:30 p.m.

Loveland Public Library, Gertrude B. Scott Room

300 N. Adams Ave.

Loveland, CO 80537

**P**lease join Coulson Excavating and the Colorado Department of Transportation for a public open house **Wednesday, November 19, 2014** from **5:30 to 6:30 p.m.** to learn more about Phase Two of the US 287 Resurfacing Project. The meeting will be held in the **Gertrude B. Scott Room** at the **Loveland Public Library** located at **300 N. Adams Ave., Loveland, CO 80537**.

During Phase Two of this project we are anticipating some major work through the winter months. Construction will include concrete curb and gutter repairs, the installation of a concrete box culvert across 287, renovations to pedestrian ramps at several intersections and improvements to storm drainage inlets

Those who attend the Open House will have the opportunity to:

- Meet the construction team
- Learn about the project timing and milestones
- Hear about our plan to maintain traffic flow during the project
- Understand how to avoid heavy traffic delays
