*The mission of the Interagency Task Force on Drunk Driving (ITFDD) is to support the prevention, awareness, enforcement, and treatment of drunk and impaired driving in Colorado through strong partnerships with public, private and non-profit organizations. The ITFDD brings people together, creating a forum for victims and advocates to access many experts and resources in one place. It provides a formal mechanism to leverage resources in order to create a multi-faceted approach to solving a problem which is often minimized and understated in our community. The ITFDD acts as a resource for the legislature, enabling it to consider more cohesive, well-thought-out proposals.*
